25 Years of Care.
Hundreds of Lives.

For 25 years,
Love Shore has been a home
of education, care and hope

across four districts,
helping them learn,
grow and live
with dignity.

Our journey continues.
Our commitment grows.

SECOND SPRING
OUR SOCIAL COMMITMENT

Luxury with a Purpose.

Second Spring is envisioned as a sustainable senior living initiative that also supports the future of Love Shore Special School.

20% of the project's total revenue will be allocated to providing free accommodation and care for eligible older students of Love Shore.
The initiative will also help support the school's day-to-day operations through the project's designated funding model.

The Silver Jubilee will mark a major milestone with the groundbreaking ceremony of Second Spring, setting the foundation for a new chapter of care across generations.

A Better Life for Seniors.
A Brighter Future for Our Children.
